

Dear Customer,

although the world economy is experiencing a difficult period because of the financial crisis, UmbraGroup, after absorbing FM Elettromeccanica at the end of 2009, is investing in new technology to offer to the market innovative solutions.

Our Company will be at next Xylexpo, the biennial world exhibition dedicated to woodworking technologies and furniture supplies.

The Exhibition will take place from 4th through 8th May 2010 in the Milan Fairgrounds located in Rho.

We will be pleased to meet you to show you our well-established Electrospindles and Milling Heads for the machining of iron, wood, plastic and to inform you about their high performance.

With this occasion we would like to present you the special projects we have developed and we would like to consider custom-tailored solutions.

Our staff will wait for you at **Hall 2P, booth B68** to meet your needs and give you information.

Best regards
UmbraGroup
